He passed along that way, no more.

the next morning Jersey had to come sufficiently sober to give a hearing, and he was taken before an alderman who expressed indignation for official dignity against his manner, pomposity, and high-sounding language.

The prisoner was as taciturn as his judge was wordy, and in answering dialogue took place between the parties.

After the officer had got through with his audience, in which the fact of Brankin's escape was very clearly set forth, the American orator ended.

ing internationalism and forgetting the
